Various ideas thrown into the melting pot

- General agreement for some sort of meeting “opportunity” as an avenue for local residents to meet and discuss activity (or lack of activity) in the Beaconsfield Community.
- Reduce frequency to bi-monthly or as otherwise required.
- Develop alternative means of communicating with the Beaconsfield Community. E.g. set up a Facebook site for residents to communicate with each other and relate items of interest.
- Alter meeting times and locations and structure – e.g. “socialise” the meetings.
- Consult with neighbouring Precincts, City of Fremantle.
